DECADE OF DOUBLE HARVEST

Dear Ministry & Missions Friends and Partners,

You can only imagine the whirlwind of emotion I experienced when I heard the news while at a Crusade in Nigeria (on the morning of December 7, 2019): *Reinhard Bonnke has gone home.*

YES, Evangelist Reinhard Bonnke (our beloved founder) went home to be with the Lord after a remarkable 79 years of living. He was powerfully used of God to reach millions with the Gospel of Jesus Christ. Over 79 million salvations were documented as a result of his faithful obedience! (That's ONE MILLION SOULS for EVERY YEAR he lived here on earth!)

He often said to me, "Daniel, You are not to become the custodian of my legacy. Preach the Gospel!" I know he is cheering us on from his front row seat in that "great cloud of witnesses" as God has given us a fresh mandate to **DOUBLE** our 30-year (75 million souls) milestone and press forward to reach the 150 million souls mark in the next 10 years. We are calling it the "Decade of the **Double** Harvest."

That is why we are strategically and systematically expanding our efforts, and God is already multiplying the results. FOR EXAMPLE: Several weeks prior to each crusade event, we now send teams of evangelists to schools, hospitals, orphanages, marketplaces and out on the streets to preach the Good News of Jesus, pray for the sick and cast out demons.

ALREADY in these pre-crusade outreaches, we have seen hundreds of thousands saved. That's in addition to the **millions saved** in our massive 4-day Gospel campaigns!

This **SPECIAL EDITION** *IMPACT* magazine was prayerfully assembled for you to:

- COMMEMORATE the marvelous legacy of Evangelist Reinhard Bonnke;
- CELEBRATE the miracle results God has brought throughout this past year of ministry;
- COMMUNICATE the VISION the Lord has clearly given us for the future.

AND... YOU play a key part in every page that you are about to read.

THANK YOU for SUPPORTING us with your prayers and your finances! We are so grateful to be entering into this *Decade of the Double Harvest* TOGETHER with YOU!

Yours in the Harvest,

Evangelist Daniel Kolenda

OVERCOMING OBSTACLES

MARCH 28 - 31 • 2019

The Gospel Crusade in Lomé, Togo had been scheduled several weeks prior, but due to some insurmountable difficulties at the border, it was postponed at the last minute. Despite the disappointment and inconvenience, God would prove true to His Word—making all things work together for good!

REGISTERED DECISIONS FOR CHRIST

On the second night of the Gospel Crusade, when it appeared that the field would be far too small to accommodate the attendees, Evangelist Daniel Kolenda preached about the blood of Jesus, and the Holy Spirit demonstrated His power. Every night after the prayer for salvation, the people brought their demonic trinkets, charms, fetishes, amulets, "juju" and idols to be burned in large drums. Often these items have been given to people by witch doctors. They instill great fear and superstition in those who possess them. But on one particular night, both drums, which had just burned earlier, were both filled again! For a second time on the same night, people renounced them and the witchcraft behind them. Then Evangelist Kolenda took authority over every curse, broke them in Jesus' name, and the people rejoiced in freedom.

For the past year, trained and equipped young evangelists were sent into cities, like Lomé, for weeks ahead of the crusades to reach out to the locals. They went to many places that the main crusades couldn't reach. They ministered in schools, villages,

Lomé, Togo saw 465,000 people in attendance during the entire four days of the crusade.

After a motorcycle accidentally hit her, she couldn't stand well on her feet or breathe well for a year. **NOW SHE CAN RISE UP, HAS NO PAIN, AND BREATHES PROPERLY.**

THIS CHILD HAD EYE PROBLEMS. Since the Saturday morning after attending the crusade, they have stopped using the medicine for the child, and his eyes are in good health now.

marketplaces, on street corners, on church properties and football fields—anywhere to attract an audience. And with the proper equipment, these tenacious evangelists hosted up to three meetings per day. Eight weeks before the Togo Gospel Crusade, the evangelists preached the Gospel—two of them were Paul Maurer and Jared Horton. Paul prayed for a woman who could not walk for one year as a result of a car accident, and she was healed. Another woman, paralyzed and carried to the field one night, was healed and able to walk. Also, a young lady whose foot was twisted to one side was healed as her foot straightened out, and she walked normally. During one of the village outreaches, one woman testified that a lump in her breast vanished.

These were just a few of many wonderful miracles that happened in Lomé—a glimpse of what God is doing in Africa today! Please continue to pray for these crusades. The best is yet to come! ■

CHANGING A GENERATION

FEBRUARY 23 • 2019

Over 60,000 people filled Orlando's open-air Camping World Stadium for a one-day event: *The SEND*.

In February of 2018, just three days after the death of Billy Graham, a small group of men met at the Christ for all Nations headquarters in Orlando to talk about collaborating for the sake of sparking a worldwide missions movement. Out of that meeting, The Send was born. Christ for all Nations (led by Daniel Kolenda) together with Brian Brennt (Circuit Riders), Andy Byrd (YWAM), Lou Engle, Teo Hayashi (Dunamis Movement, Brazil) Michael Koulianos (Jesus Image) and Todd White (Lifestyle Christianity) comprise the seven collaborators that lead The Send.

Seven ministries (including CfaN) collaborated to create the *Send* event.

> **The SEND is about launching a new generation into the harvest fields of the world that are so ripe for harvest.**

Attendees raise their shoes as a symbolic gesture – a personal declaration to go forth and share the Gospel.

The first gathering of *The Send* was in Orlando in February 2018. Nearly 60,000 people, mostly youth, gathered in Camping World Stadium for twelve hours of prayer, the preaching of the Gospel and commissioning to the mission field! As a result, more than 2,500 people received Christ! In addition:

- 5,423 committed to go to the nations as missionaries
- 2,467 adopted schools to evangelize
- 5,064 adopted a neighborhood to evangelize
- 2,797 adopted a college campus to evangelize
- 18,196 committed to fast and pray for this harvest
- Hundreds enrolled at bible schools and training centers

Evangelist Kolenda said, "The SEND is about launching a new generation into the harvest fields of the world that are so ripe for harvest. Now, more than ever, we need laborers to take this Gospel into all the world." This initiative is part of the "Decade of Double Harvest" strategy that Kolenda believes will spark the greatest evangelistic movement in history.

We look forward to The SEND events taking place in 2020 and beyond! We hope to see you there! ■

The crowd was visibly moved by God's mighty Word during the 12 hours of worship and ministry.

NAKURU | KENYA

Nakuru was filled with a tremendous hunger for the things of God.

IGNITED FOR CHRIST

Evangelist Daniel Kolenda and the Christ for all Nations team held a campaign in Nakuru, Kenya from August 8-11, 2019. In the weeks leading up to the main event, a team of evangelists preached the Gospel in more than 600 schools, villages, markets and orphanages.

65,210
REGISTERED DECISIONS FOR CHRIST

More than 200,000 people received Christ... BEFORE THE EVENT STARTED!! In some of the schools where the team ministered, they had full-blown outpourings of the Holy Spirit. The power of God moved among students for hours, with hundreds laid out under the power of God. And still others were dramatically delivered from demons...in public schools.

As the sun was rising over the Rift Valley in Nakuru, Kenya, it illuminated an amazing scene. By 6:30 AM, thousands of pastors and church leaders had already gathered on the campaign field, under the African sky, to hear the Word of God during the Fire Conference. One local pastor said to Peter Vandenberg that he had never seen anything like it—not even in the churches—much less on an open field. There is truly a tremendous hunger here for the things of God, even among the leaders. This is a great sign that God is doing something powerful in Nakuru. These men and women will disciple the new converts that were saved during the campaign.

TESTIMONIES

A GLIMPSE OF WHAT GOD DID IN NAKURU

SHE HAD ARTHRITIS SINCE 1989. She used crutches for 7 years and no longer needs them!

THIS MAN WAS AN ACROBAT AND BROKE HIS BACK. As a result he had not been able to bend, but was suddenly able. He demonstrates his acrobatic skills on stage.

SHE NO LONGER NEEDS CRUTCHES TO WALK. The woman proclaims Jesus healed her during the prayer for the sick.

THESE 4 WOMEN ALL HAD THE SAME BACK PROBLEMS AND COULDN'T BEND. They demonstrate they are now able to bend without pain.

Evangelist Kolenda was joined by several amazing men and women of God from around the world in Nakuru. Among them were Eddie James and his team, who led beautiful and powerful worship each night. Also, a team of evangelists—graduates from the School of Evangelism—had been ministering in Nakuru! Jared Horton was one of them. On one of the campaign nights he shared a powerful testimony before Evangelist Kolenda preached. He told of a young woman in one of the schools where they ministered. A witch doctor gave her a braided piece of cloth to tie around her waist, telling her it would protect her against evil spirits. Meanwhile, this young woman had become completely demon

possessed. As the team of evangelists ministered in that school, she was dramatically delivered. Afterward, she voluntarily gave that cloth to Jared as a testimony to her newfound freedom.

After that testimony, drums full of witchcraft Juju were burnt. Many people surrendered and broke the curses in Jesus' name. One woman testified that she was healed when the curses were broken. Many other wonderful testimonies of healing followed, including deaf ears, stomach ulcers, asthma, arthritis and all kinds of pain and paralysis! ■

The move of God was evident in the faces and expressions of many.

SHAKEN BY THE GOSPEL

It had been over 30 years since the last CfaN crusade in Kisumu, and a whole new generation arrived on the scene. There was a great harvest to reap there, and the local leaders said they had been praying for someone to come and help them.

REGISTERED DECISIONS FOR CHRIST

Less than five weeks after the last crusade in Kenya, and just a few days after the amazing Light the Fire Again event in Pensacola, the team returned to Kenya for another campaign.

While other evangelists were discouraged because of security concerns, Evangelist Kolenda believed the Lord had appointed him for such a time.

The Gospel Campaign in Kisumu was glorious. Many thousands responded to the Gospel, and wonderful miracles happened. The move of God was incredible—difficult to adequately

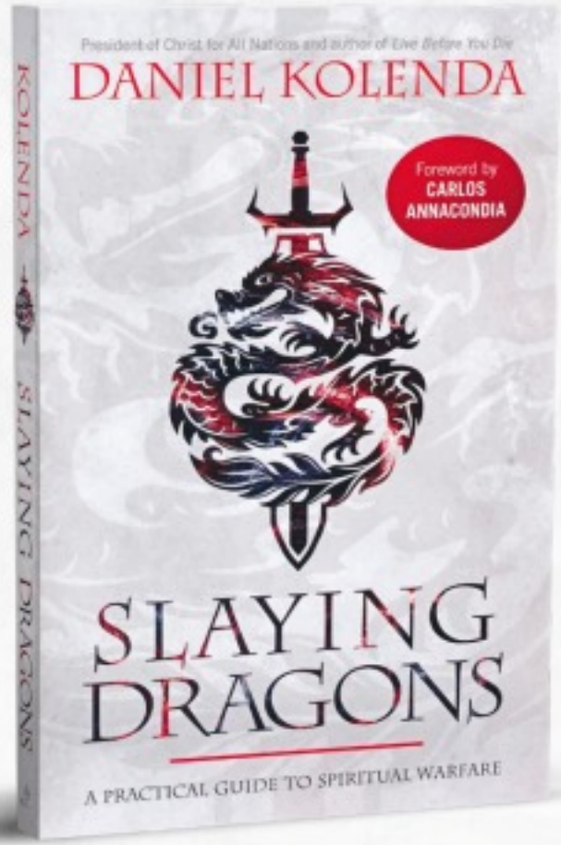
describe what happened. When Evangelist Kolenda prayed over the crowd to receive the baptism in the Spirit, the power of God came down in a tangible way. "I became so inebriated; I found it difficult to minister. Bodies lay all over the ground. Little children were weeping in the presence of God. I asked a little girl what she was feeling, and she said, 'Power!'" Evangelist Kolenda reported.

Many received deliverance from demons, and many miracles happened. Just in the last couple days of crusade meetings, a crippled woman was totally healed of arthritis. She could walk and even jump! Many people with chronic pain—some with pain lasting for years—said the pain suddenly vanished and did not return. Still more miracles: A woman's stomach tumor of 10 years vanished; a girl possessed by demons for six years was delivered; a man with a paralyzed arm—from a robbery assault over a year before—was totally healed; a woman, whose mother had been insane since 1989, said that her mother totally returned to her right mind.

Also, a word of knowledge was given regarding someone being healed from an abscess on the right side of their mouth. Two women came forward: one had the abscess and severe swelling and pain for over a year, and the other woman had suffered the same problems for two months. Both were instantly healed, and the swelling and pain vanished.

There were many, many more testimonies — too many to mention. Suffice it to say... We can only say that Kisumu was shaken by the power of the Gospel! ■

SLAYING DRAGONS



THE SUPERNATURAL REALM IS VERY REAL, AND IT DIRECTLY IMPACTS OUR DAY-TO-DAY LIVES.

"Ultimately the spiritual war was already won on the cross. Yet we live in a world where people are still slaves to sin and the devil. Their minds are still under that demonic spirit of the age. We are called to set them free. We proclaim the good news and then we demonstrate the kingdom of God by bringing its power to bear. Where there are demons, we cast them out. Where there is sickness, we heal it. Where there is bondage, we break it. Where there are strongholds, we pull them down. We do this with all the tools God has given us—preaching, prayer, faith, prophetic words, signs, wonders, miracles, love, sacrifice, acts of service, and so on. I emphasize these things because often when people think of spiritual warfare, they think of a one-dimensional aspect of it—usually praying loudly. But spiritual warfare is not confined to prayer. Jesus modeled how we wage our war against darkness. Jesus is the dragon slayer we should seek to imitate."

HOLY LAND ENCOUNTER

"Are you hungry?" asked Todd White. "What is it that you want to experience? This is your chance to tell Him!"

As people lined up to be baptized in the Jordan River, Daniel Kolenda continued: "All of His promises will come to pass as we baptize you in the name of the Father, Son and the Holy Spirit." Then Brian Guerin prophesied about joy unspeakable—how it erupts and flows like thick lava from the hearts of worshipers who want to surrender their lives to Christ. The next generation of giant-killers, revivalists, prophets and evangelists arose from the Jordan River.

OCTOBER 21-31 • 2019

There are moments in your life when you can point to a time, a place...the Jordan River...and know that you had an encounter with the living God. The journey to Israel was one of them. People journey to Israel for various reasons. Some come to see a holy landmark; others come out of curiosity. But there are those who come with hunger, thirst, a desire, crying out, "Lord, do not take Your eyes off of us! Let us enter into the Holy of Holies. Let us enter and dwell in your presence."

This journey to Israel was no tourist attraction... it was a place of surrender! For more information visit **cfan.org/israel** ■

JOY IN THE CITY!

Seven weeks before the main Gospel Crusade bombarded the region with the Gospel, the pre-crusade team of evangelists arrived. Christ for all Nations conducted 273 outreaches and saw 77,879 people come to Christ—before the Crusade even started! The "Decade of Double Harvest" was underway!

298,754

When Evangelist Daniel Kolenda arrived in Abeokuta, Nigeria, he was greeted by a lively crowd all along the road, made up of local believers, pastors, bishops and other leaders. They were full of joy and anticipation of what God was going to do. Evangelist Kolenda was escorted to the governor's mansion where he shared with the governor (who is a believer) and his entire cabinet. He was then taken to the king's palace where he was able to share the Gospel.

Evangelist Kolenda told the king that he had come representing another king—not just any king—but the King of Kings and the Lord of Lords. He led some of the

chiefs to the Lord right there in the courtroom of the palace! What an amazing day for Abeokuta!

The Gospel Crusade nights were amazing. The crowd more than doubled from one night to the next, and many thousands received Jesus. Still countless others experienced powerful miracles. An elderly man, blind in his left eye for three years, was healed! Several women testified that painful lumps in their breasts instantly vanished during prayer! A young man who had lost his voice for the last six years was healed and sang a solo a capella from the platform, praising and thanking the Lord. The crowd joined in, singing with him. It was a beautiful moment. Another young man who was deaf in the right ear also was healed.

Many testified to being healed of all kinds of pain and paralysis in backs, necks, arms, hands and other parts of the body.

On the last night of the Gospel Crusade, Evangelist Daniel Kolenda had a word of knowledge for someone with a growth on their neck. He sensed that it was painful and affecting the person's ability to speak. In response to that word, a woman came forward and said that for years, she had been suffering with a painful growth on her throat that made it very difficult to talk. But after prayers, the growth vanished and now she was perfectly well. She shouted, "Thank you, Jesus!" with a loud voice! ■

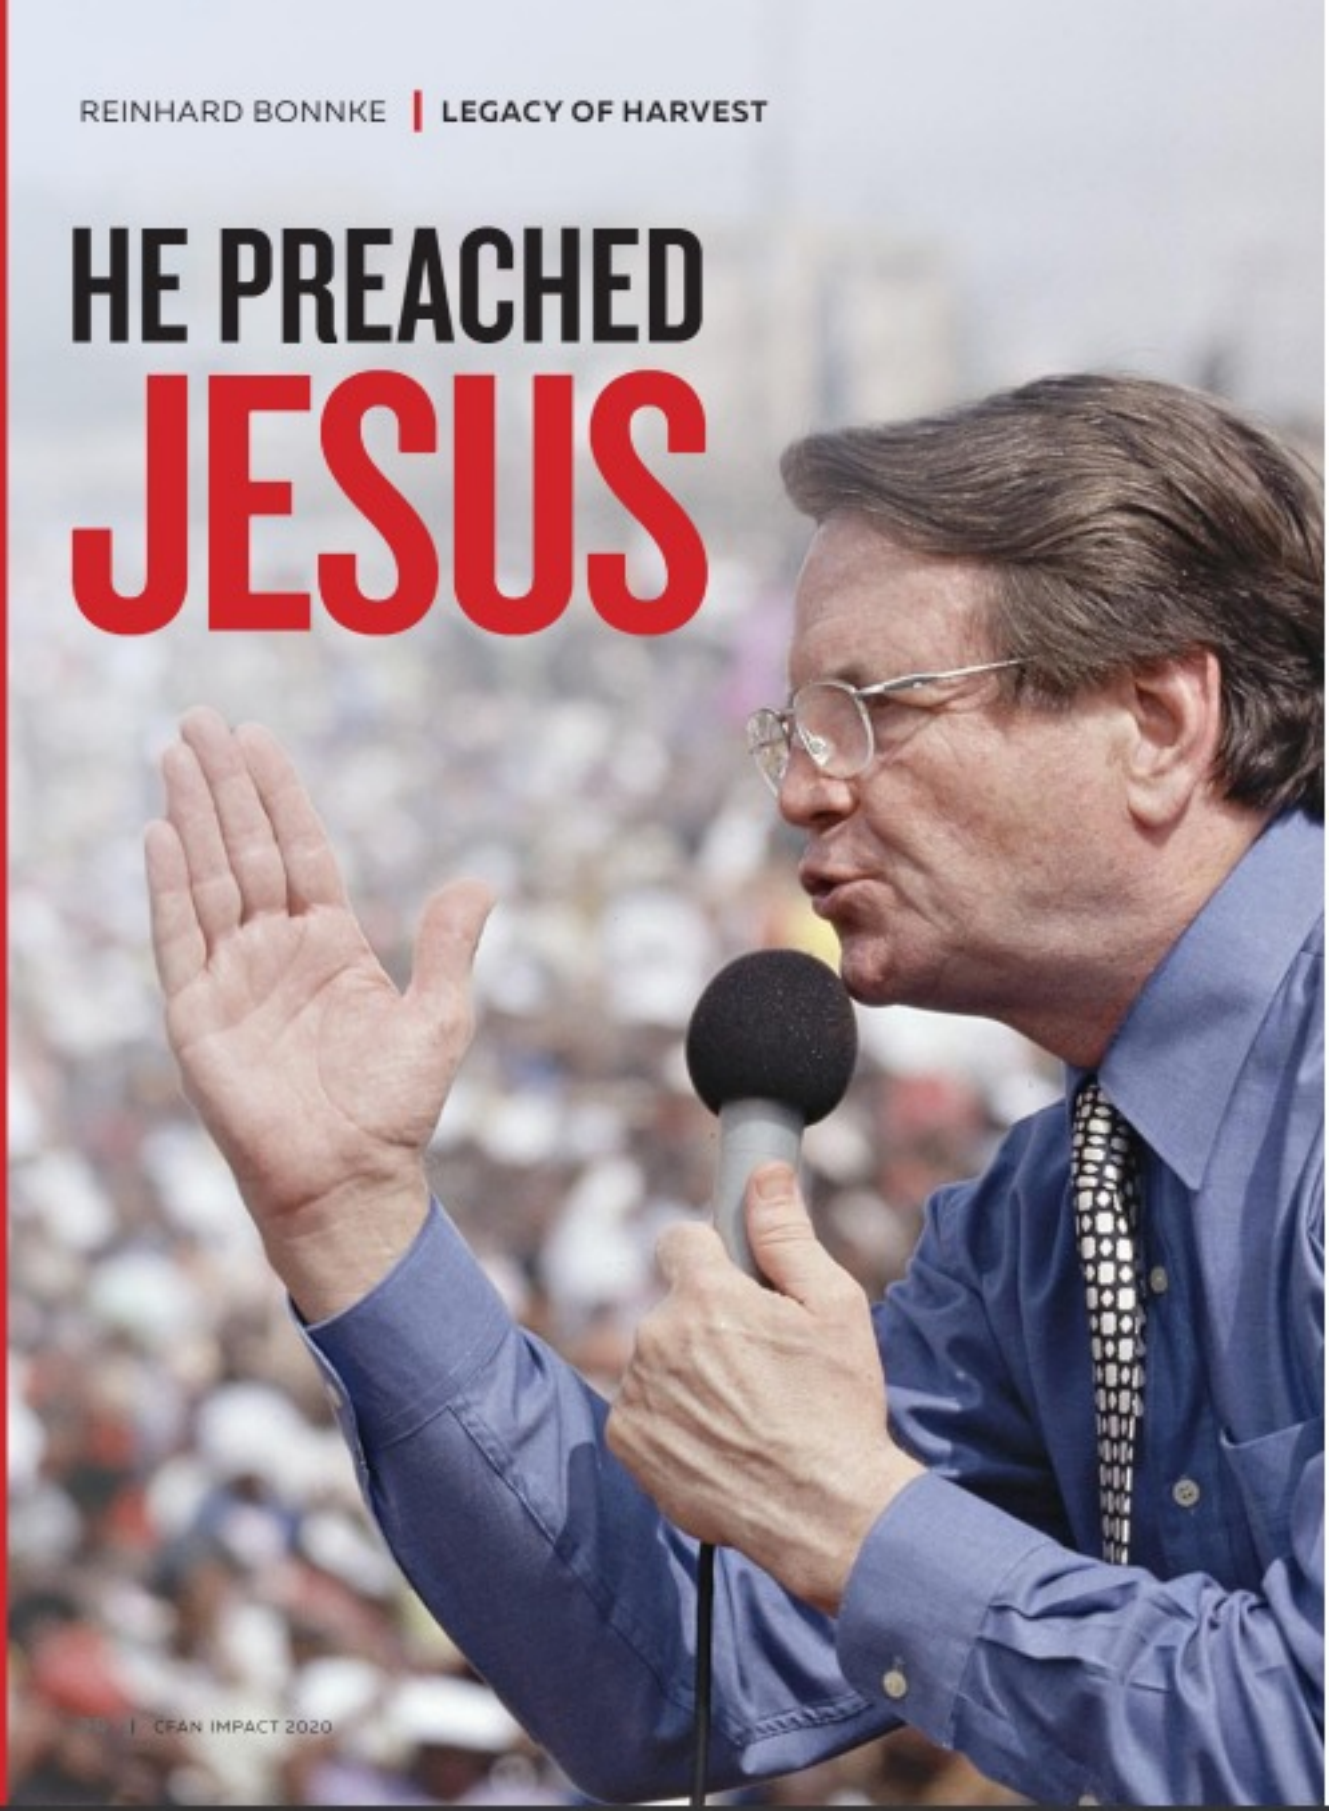
HE PREACHED JESUS



1940 – 2019

Evangelist Reinhard Bonnke was a living reflection of courage, commitment, conviction, credibility, compassion, humility and sold-out service to the call of God on his life.

The Legacy of a World Changer

He was affectionately known as "God's General" and "The Billy Graham of Africa." He spent a remarkable 60 of his 79 years preaching the Gospel and would often say that his life's mission was to "plunder Hell to populate Heaven."

His heart was filled with an unconditional love for Jesus; a fearless faith for the miraculous; and an unrelenting passion to preach the Gospel.

The son of a pastor, Reinhard Bonnke gave his life to the Lord at age nine and heard the call to the mission field before he was even a teenager. After attending Bible college in Wales, he became a pastor in Germany for seven years, and then went on to start mission work in southern Africa.

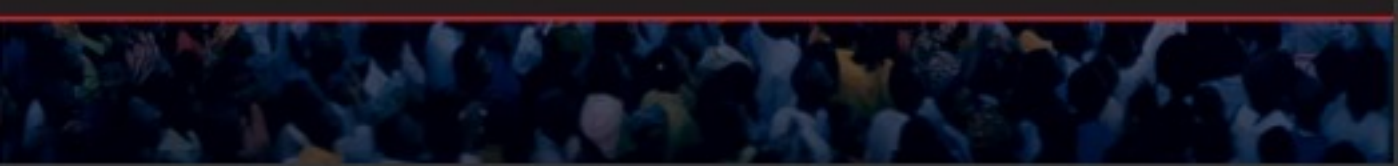
REMEMBERING
REINHARD BONNKE

"Let my mortal lips PREACH the ETERNAL Gospel, and my mortal hands BUILD YOUR ETERNAL Kingdom – to the Glory of the FATHER."

60 YEARS OF PREACHING THE GOSPEL

OVER 79 MILLION REGISTERED DECISIONS FOR CHRIST



It was there, in the small mountain kingdom of Lesotho, that God placed upon his heart the vision of "the continent of Africa, washed in the precious Blood of Jesus"—an entire continent, from Cape Town to Cairo and from Dakar to Djibouti—that needed to be reached and to hear the proclamation of the signs-following Gospel.

Mass Evangelist

He began holding meetings in a tent that accommodated 800 people. As attendance increased, larger and larger tents had to be purchased until finally, in 1984, he commissioned the construction of the world's largest mobile structure at the time, a tent capable of seating 34,000 people!

Soon, the attendance at his meetings exceeded the capacity of this huge structure, and he began open-air Gospel campaigns with an initial gathering of more than 150,000 people.

In 1974, Reinhard founded Christ for All Nations with the goal of reaching the entire continent of Africa with the Gospel.

The ministry increased the number of crusades held per year in Africa and also began to branch out to Asia by holding one crusade per year in that part of the world. Crusades followed in Malaysia, the Philippines, Indonesia, Singapore, India and South America. Each event resulted in tens of thousands receiving Jesus Christ as their Savior, and multitudes were healed and delivered from demonic forces.

At one such rally in Lagos, Nigeria, held in 2000, more than 6 million people came out to hear him preach.

As part of the ministry's discipleship training program, over 185.5 million copies of CfaN books and booklets have been published in 103 languages and printed in 55 countries. Millions of books have been freely given ("seeded") throughout the world.

Remembering Reinhard's own words: "I grew up as the overlooked child in the Bonnke family, and God used that pain to sensitize my heart to the overlooked people of the world. I know God loves the little nobodies—

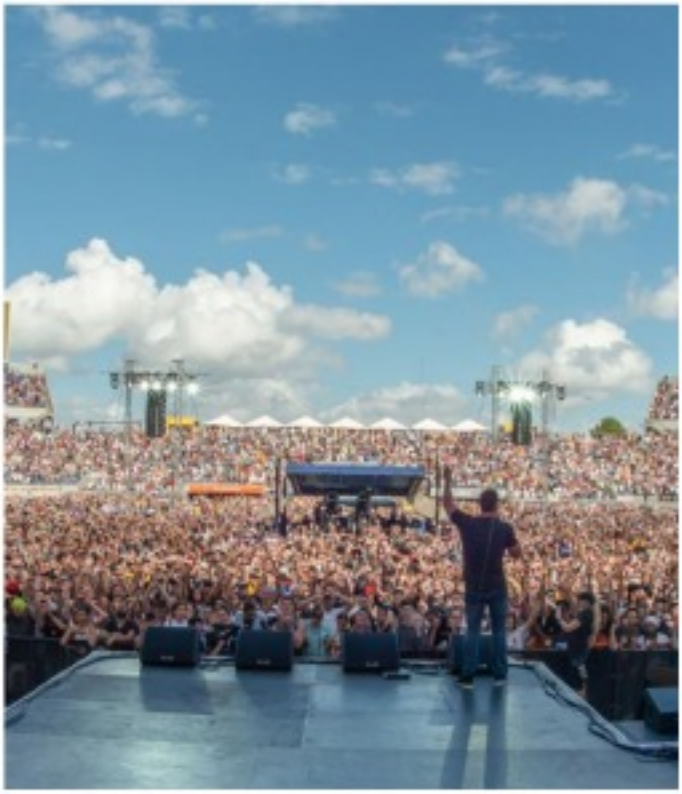
those whose names no one will ever celebrate. He has given me a heart to preach to the poor on the continent of Africa, and in other parts of the world as well."

Passing the Torch

In 2006 Evangelist Reinhard Bonnke began to share the CfaN platform with a young evangelist named Daniel Kolenda. Daniel's journey with CfaN began in the warehouse where his job was stocking shelves and sweeping floors. Later, Evangelist Bonnke invited him to travel with him from time to time as an assistant.

Evangelist Bonnke wrote about Kolenda in the mid 2000's saying, "He reminds me of myself at his age. I have noticed that he carries the Holy Spirit's flame from above. I believe he is one of the next generation's movers and shakers in the Kingdom of God. I have handed him my microphone to preach the Gospel from the CfaN platform...and the results are the same as when I preached. Hundreds of thousands responded to the invitation, and miracles follow the preaching of the Word. Hallelujah!"

Eventually, God spoke to Reinhard about Kolenda saying, "The anointed must be appointed." Evangelist



Kolenda was appointed lead evangelist and CEO of CfaN in 2009 and for a decade, evangelist Bonnke supported Kolenda in this role.

Evangelist Bonnke said, "This ministry is not my private property. It is all by God's grace."

On December 6, 2019, CfaN celebrated "Founder's Day" – 45 years since evangelist Bonnke started the ministry. And, on December 7, we celebrated his home going. Yes – 7 is associated in God's word with completion... A race that is finished!

Although the earthly life and work of Reinhard Bonnke is finished here, we can still imagine him smiling in Heaven and saying...

"The Ministry of CfaN is not over, it has just begun. God's best is yet to come. So run with the vision, Daniel – take the baton and run!"

The love for Reinhard Bonnke in Africa is unparalleled. He not only left an indelible mark on this continent but the nations of the world as well. We are still walking down the trail he forged over many years of faithfully preaching the gospel. ■

Reinhard Bonnke is survived by his wife, Anni, three adult children, Kai-Uwe, Gabriele, and Susanne, and eight grandchildren.

Legacy of Harvest

REINHARD BONNKE THROUGH THE YEARS

1960's

Reinhard Bonnke's ministry in Africa started in 1967, as a missionary to Lesotho in southern Africa. He preached everywhere, sometimes to only a handful, but always with the passion for the lost that would become his trademark.

1970's

In 1974 he founded Christ for all Nations. The breakthrough Gospel Crusade in Gaberones, Botswana, was followed by tent meetings all over South Africa. During those years he also developed other highly successful evangism tools such as *The African Messenger* (distributed widely in Africa) and the "Bicycle Evangelists" (who went where cars could not yet go).

1980's

CfaN soon outgrew the "Yellow Tent," and the "Big Tent" was dedicated in 1984. The first ever Fire Conference took place in Harare, Zimbabwe and they have had a huge impact on church leaders ever since. Soon, however, the Big Tent also became too small and open air campaigns became the norm.

1990's

In line with Evangelist Bonnke's vision "From Capetown to Cairo," CfaN now started moving north through West Africa and Nigeria with great success and ever larger crowds. However, anti-Christian riots in Kano resulted in the ministry being banned from Nigeria until 1999, when once again the door was opened miraculously.

2000's

CfaN now entered a season of unprecedented growth; the so-called "Millennium Crusade" in Lagos saw the largest crowds the ministry had seen to date, with 1.6 million people in a single service and over 3.4 million decisions for Christ! During this decade Evangelist Bonnke also met with 34 presidents across Africa, of whom a number came to Christ. Towards the end of this decade Evangelist Boonke became increasingly aware of the need to pass on the baton.

2010's

When Daniel Kolenda joined the ministry it soon became obvious that God had answered his prayers. Guided by the Holy Spirit, Reinhard Bonnke slowly stepped back and handed over the reins. He was 79 when he went to be with the Lord. In his lifetime, CfaN registered just over 79 million decisions for Christ. What a legacy! To God be the glory!

CELEBRATING AN EXTRAORDINARY LIFE

JANUARY 4 - 2020

The USA Memorial of Evangelist Reinhard Bonnke

> "We will honor him as we carry on with an unconditional love for Jesus, a fearless faith for the miraculous; and an unrelenting passion to preach the Gospel." – **Evangelist Daniel Kolenda**
> JANUARY 4, 2020

Evangelist Daniel Kolenda - CfaN's CEO, and President (since 2009) pays tribute to Reinhard Bonnke. The USA memorial service was one of several such events around the world.

On December 7, 2019, Evangelist Reinhard Bonnke, founder of Christ for all Nations, went home to be with the Lord whom he loved and served so devotedly all his life.

Since then, from around the world, the tide of thanksgiving for who he was has just kept rising. It is no exaggeration to say that his vision and passion had a huge impact on every person he ever met but he was also a humble man who, though lauded by many and often meeting with people in high places, only ever saw himself as a "simple evangelist preaching the ABC's of the Gospel."

The USA memorial service took place January 4, 2020 in Orlando, FL, and many came from around the globe to celebrate his life. A veritable "who's who" in the Christian world paid tribute, some with deep emotion. One international report on his death had called him "The man

Evangelist Reinhard Bonnke's 3 children, Kai-Uwe, Gabriele, and Susanne lovingly celebrate, commemorate and honor their father's legacy.

who changed the face of Christianity in Africa!" As speaker after speaker from this beloved continent of his spoke, it became evident that this was profoundly true. During his lifetime, from pulpits around the world he had thundered the phrase "Africa shall be saved!" but in later years, as the numbers of salvations grew almost beyond imagining, he changed this to "Africa is BEING saved!"

He was 79 when he died. Interestingly, to date CfaN has recorded over 79 million recorded decisions for Christ. His truly was a fruitful life! He said that all he wanted written on his tombstone was "He preached Jesus." This he did until the day he joined the "great cloud of witnesses," a giant among men, an unwavering servant of God. ■

> "I can promise you that the man you saw minister on the platform was the very same genuine man you'd have dinner with at the restaurant. To know him was to love, respect and admire him."

A VISION FOR 2020 AND BEYOND

A Message of Tribute from Evangelist Daniel Kolenda

One of the things I loved and admired about Evangelist Reinhard Bonnke was that he was a visionary. He was a forward-looking and forward-thinking man.

On more than one occasion, I remember Reinhard, while preaching a sermon, stopping mid-sentence, turning toward me sitting on the front row, pointing his finger at me and saying in a commanding tone, "*Daniel, you are not to become the custodian of my legacy. Preach the Gospel!*" That was his admonition to me. What he was saying—and what he did say many times—was that this was not about his name or his legacy. It wasn't about building some kind of a monument to him. Although we love Reinhard Bonnke and we never want to forget the extraordinary way his life impacted our generation, we honor him most by pressing forward with the same spirit that characterized his life, which was embracing the heavenly vision for the sake of souls.

I think it is very appropriate here, by way of tribute to Reinhard, to talk about the future of the ministry he founded and invested his life into. Reinhard has passed on, but this is not the end – we are just getting started!

In 1987 (for the purpose of our local Church follow-up system) Christ for all Nations began tracking the individual new converts being saved in our crusades. Thirty years later (in 2017) the ministry reached a 75-million milestone. That's when the Lord began to clearly speak to me about a "DECADE of DOUBLE Harvest." In other words, if would grab ahold of this word by faith, we could see the number of people saved double from 75 million in the first thirty years to 150 million in the next ten!

Now, if you think 150 million souls sounds incredible, I don't blame you. Admittedly, these are massive numbers. But believe it or not, these numbers were not even the most exciting part of what the Lord showed me. I believe that, in this next decade, God will use CfaN to spark the greatest movement of world evangelism in history! Thousands of men and women like Reinhard Bonnke will arise and preach this Gospel throughout the world before Jesus returns! Hallelujah!

You might ask, "How is this possible? Do you plan to conduct larger crusades than ever? Or more crusades than ever?" The answer to that is actually, "Yes." We will conduct more crusades this year than ever before. Also, I do believe we are going to see the largest crusades we

Daniel Kolenda graciously yielded his Memorial Service time-slot to the many guest speakers. He shares a portion of his 2020 vision highlights HERE (on these pages) for you.

have ever seen. I believe that even in this coming year the crusades will go to a new level; and there are some really exciting things happening on that front. But what's more—and this is really what I want to tell you about—the Lord showed me that these results would come, not simply through addition, but by multiplication. We are going to multiply by training, equipping and launching thousands of evangelists. In fact, we've already been doing this on a small scale for the last couple years; and the results we've seen have been astonishing.

Our strategy for multiplying the harvest is multi-faceted, but just as an example: In Africa, our talented team of world-class technicians has built a fleet of custom-made, mobile crusade units—affectionately known as "gospel trucks." They are designed to give our evangelists a platform in places we could never reach with our mass crusades. They preach in villages, markets, schools, prisons, orphanages and street corners—basically anywhere and everywhere. These outreaches happen strategically for several weeks leading up to one of our massive Gospel crusades.

In Nakuru, Kenya, more than a third of the population of the entire city showed up to our last night of meetings there. It was awesome! But even before I arrived, for 7 weeks leading up to the crusade we had a small team of evangelists on the ground preaching the gospel. They conducted up to 32 outreaches per day! Over those 7 weeks prior to the crusade they ministered in 611 outreaches and lead more than 200K people to Christ!

> **"Reinhard has passed on, but this is not the end – we are just getting started!"**

I believe the days are coming when more people will be saved before the crusades than during them – not because the crusades are small, but because there is such a movement of evangelism swirling around the crusades that they actually become the catalyst for something even greater than themselves. (continued)

> **In this next season, God will use this incredible platform that Reinhard and many others spent a lifetime building to launch that new generation of empowered Holy Spirit evangelists.**

The Nakuru outreach was just one of many such pre-crusade outreaches we have done over the last two years in many different cities and countries including Lomé, Togo, Ogbomosho, Port Harcourt and Abeokuta, Nigeria. We've already trained and launched a couple dozen evangelists for this "Double Harvest" multiplication strategy and hundreds of thousands of souls have been saved as a result - but that was just the "Beta test!" Now, in 2020, the Decade of Double Harvest strategy begins in earnest!

In January of 2020, we launched a brand new, 6-month evangelism Bootcamp in Orlando, Florida. Out of hundreds of applicants, we accepted just 50 men and women we believe God has sent. We are going to equip and launch them into the harvest fields. These are the first fruits of a much larger vision. We plan to train 20,000 evangelists in a similar fashion by 2030!

Also, this year we will launch a brand-new initiative called "Operation Decapolis." Decapolis means "ten cities." Working together with the evangelists we have trained, we will conduct ten crusades in ten cities over a two-week period – and that is in addition to our normal crusades!

That means that this year—the year following Reinhard Bonnke's passing—the ministry he founded will conduct more crusades than ever, larger crusades than ever, and see more people saved than ever before! What a fitting tribute to his life and legacy. That is what Reinhard would want. That is what he was always talking about—the future and the harvest!

In this next season, God will use this incredible platform that Reinhard and many others spent a lifetime building to launch that new generation of empowered Holy Spirit evangelists.

It's going to be amazing, and I want to take this opportunity to ask you to pray for us and stand with Christ for all Nations as never before. This is such a critical moment in the ministry. Many of you have supported Reinhard Bonnke for years—even decades. Would you continue to stand with us as we continue to plunder hell to populate heaven for Calvary's sake? We love you and thank you. The best is yet to come! ■

Yours in the Harvest,

Evangelist Daniel Kolenda

THE GREATEST FORTUNE ON EARTH PALES IN COMPARISON TO *godly wisdom.*

From world-renowned Evangelist Reinhard Bonnke

A collection of insightful vignettes of wisdom from his more than 40 years of faith-filled ministry is being offered in his memory. *Godly Gems* offers the reader clear, concise, and practical wisdom that can be readily applied to life's challenges. *Godly Gems* is the perfect book for anyone who wants to enrich themselves with true heavenly treasure!

"Treasure Chest" Page 33

Jesus told us a parable. A merchant found one fine pearl that was worth a phenomenal amount and he sold everything else he had to raise enough money to buy it (Matt 13:45–46). This is a picture of God emptying the treasure chest of His love for us. We were no bargain. We did not look very much like a valuable jewel. Yet He took us with all our worthless baggage, rottenness, debts, nastiness, and wickedness. He drew us to Himself ignoring everything in us that was foul and corrupt. Then like a heavenly valet, He cleaned us up, gave us a complete makeover, clothed us in righteousness, girdled us with immaculate grace, and made us fit to enter the presence of the King in His beauty. That effort left Him soaked in His own sweat and blood on the trodden grass of Gethsemane. Then finally that awful hour of devilish agony, hanging like a rag nailed to a tree. "He was nailed to the cross for me..."

A LOVING FAREWELL

Fire19 was a glorious weekend, which saw over 4,000 attendees from all over Europe gathering together to worship and to be inspired. The speakers were Daniel Kolenda, Todd White, Peter Wenz and Peter Vandenberg– with an unforgettable and very special appearance by Evangelist Reinhard Bonnke. This event was an opportunity for Evangelist Bonnke to say a heartfelt thank you and loving farewell to the German mission partners who have been such an important part of the CfaN ministry since its earliest days.

From the very first session, it was clear that God had a great deal to say prophetically to the German church. There was an outpouring of healing on many levels, and each session moved naturally into a time of prayer, ministry and healing.

During break times, CfaN mission partners were treated to a 3D virtual reality experience of an African Gospel Campaign. They also had the opportunity to view a Gospel Truck—the vehicles used in our pre-campaign village outreaches—and to speak to Winfried Wentland about life on the road and behind the scenes.

As the conference closed, hundreds took the time to shake hands with Evangelist Bonnke in a moving display of respect and affection for his lifelong ministry. ■

The power of the Holy Spirit swept through the crowd.

NEXT GENERATION REVIVAL

MAY 1-4 • 2019

Expectancy and anticipation filled the air as God Chasers from around the globe filled Toronto's Catch the Fire Church for the second Light the Fire Again Conference on May 1–4. Hosted by Evangelist Daniel Kolenda, the venue was packed with people zealous for the Power of God in their lives. They were not disappointed as the Holy Spirit moved powerfully, and many were physically healed and ministered to in remarkable ways.

CANADA

The first Light the Fire Again event in 2018 featured several pastors and evangelists who had been instrumental in the revival in Toronto in the early 90's. This year's conference presented many next-generation evangelists who are being used to reach the lost for the Kingdom and impart fresh fire from God into thirsty souls.

The event featured anointed worship from Jeremy Riddle, Lindy Conant-Cofer and Roy Fields. The teaching and impartation sessions were led by Carlos Annacondia, Carol Arnott, Andy Byrd, Daniela Freidzon, Eric Gilmour, Brian Guerin, Cindy Jacobs, Michael Koulianos, Joshua Mills, Nathan Morris and Daniel Kolenda. Each speaker was mightily used of God. Flames that had grown dim were rekindled, and passions for Jesus were reignited. ■

Attendees had an incredible encounter with the Lord. Many had never experienced God in such a mighty way.

Through praise and worship, the presence of the Lord Almighty overflowed.

FUELING THE FIRE

During the 1990's, many mighty moves of God swept the earth, including one in the portside city of Pensacola, Fla. From 1995 to 2000, the Brownsville Revival impacted millions of people around the world. It has been described as "liquid fire... a blazing stream... a river that burned with joy, glory, conviction, repentance, weeping, laughter, love, and life." (Robert Gladstone, *A Time to Build*)

Fast-forward to 2019. Light the Fire Again Pensacola was a historic four-day gathering of several thousand passionate worshippers from 49 states and 35 countries. Countless testimonies of glorious salvations, miraculous healings,

powerful deliverances and broken addictions have been reported; prodigals returned to the Lord, and people were called to the mission field. People even shared the Gospel on the streets and brought the fire back to their churches. At one local church, a 13-year-old deaf girl was so filled with the Spirit that the pastor had her lay hands on and release the fire of God on each of the hundreds of people attending their Sunday morning service! God moved in mighty ways in Pensacola, reviving hearts and truly lighting the fire again! ■

Attendees filled the Pensacola Bay Center during a historic 4-day event. There was an insatiable hunger to see God move in their lives.

GOD wants to move us from visitation to habitation!

With profound insight and exceptional clarity, Bob Gladstone draws the connections between Scripture and modern revival movements to shed light on the church's central role in God's awe-inspiring plan for history.

A REMARKABLE TRIBUTE

to Evangelist Reinhard Bonnke

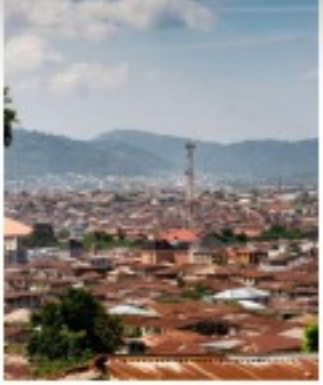
DECEMBER 5–8 • 2019

The last few days of the crusade in Ado Ekiti, Nigeria, were particularly amazing! The power of God moved in a mighty way, touching multitudes of hungry people. However, the fourth and last day marked a truly extraordinary event. It will go down in history as the day one of God's greatest generals went home.

173,680
REGISTERED DECISIONS FOR CHRIST

Daniel Kolenda shared his heart on this memorable day: "When I woke up this morning, I had no idea that my day would end with such a whirlwind of emotion. I have both deep sorrow and great joy. Sorrow because Reinhard Bonnke was more than a great man, powerful preacher and influential leader. To me, he was like a father and one of my dearest friends. The Apostle Paul tells us that such gifts in our life are incredibly rare. 'Even if you had ten thousand guardians in Christ, you do not have many fathers…" (1 Cor. 4:15). The sense of loss I feel in this moment is profound. But I am so happy that Evangelist Bonnke has finally entered his eternal reward. He is now with the One that he loved so much and that he lived his whole life to please. I am sure that all of Heaven is rejoicing."

Daniel Kolenda was not by Evangelist Bonnke's side when he passed away the morning of December 7. Instead, he was on the other side of the world. There is no greater way to honor one of the greatest evangelists that has ever lived, than laboring where he labored—in Africa, preaching the Gospel and leading multitudes into the arms of Jesus.



On the third night of the crusade, Daniel Kolenda informed the huge crowd about Evangelist Reinhard Bonnke's passing.

As the greatest tribute possible, Evangelist Daniel Kolenda shared the Gospel with the crowd in Ado Ekiti.

TESTIMONIES

JESUS HEALED BODIES AND SOULS IN ADO EKITI.

This young man (pictured with his mother) **COULDN'T TURN HIS LEG BEFORE THIS.** And the stomach ache he had also was healed.

FOR 10 YEARS, SHE HAD PAIN IN HER LEG AND COULDN'T JUMP. After prayer, she felt like chains were broken, and the pain is gone.

SIX MONTHS AGO, THIS WOMAN COULDN'T DANCE AND MOVE LIKE THIS. Daniel joins her in a dance on the platform!

BEFORE THIS, SHE COULDN'T STAND LIKE SHE IS NOW — and even had to be carried to the meeting. And with pain in her chest, Daniel prays for her to also be healed of cancer.

HAVING HAD ASTHMA ALL HER LIFE, now at 15, she received her healing.

AFTER HE FELL FROM A TREE IN MAY, he couldn't get up and walk properly, but now he has no more pain.

When Daniel Kolenda informed the huge crowd about Evangelist Bonnke's passing, which was on the third night of the crusade, the people were visibly and audibly moved with emotion. Many of them can still remember when Reinhard Bonnke came to this same city more than a decade ago. The love for Bonnke in Africa is unparalleled. He left an indelible mark on this continent, and those who've served in his ministry are still walking down the trail he forged over many years of faithfully preaching the Gospel.

Just a few days ago, Evangelist Kolenda was preaching in Orlando about that great cloud of witnesses mentioned in Hebrews 12. "Today Evangelist Bonnke has joined that mighty host," stated Kolenda with wholehearted certainty. "I'm sure he has a seat of honor among them. And from Heaven's grandstand he is cheering us on. We must continue to run with patience the race set before us until we all meet again at the feet of Jesus."

On December 6, Christ for All Nations ministry celebrated "Founders Day"—45 years since Evangelist Bonnke started the ministry. The next day—December 7—the organization celebrated his home going. What an amazing and remarkable legacy of harvest he leaves behind!

"The love for Bonnke in Africa is unparalleled. He left an indelible mark on this continent, and those who've served in his ministry are still walking down the trail he forged over many years of faithfully preaching the Gospel."

"My phone has been blowing up all day with texts, emails and phone calls from so many of you giving your condolences. Thank you all so much for your love and prayers. Please continue to stand with us. The work is not finished, and the harvest is still plentiful. The best is yet to come!" concluded Evangelist Kolenda. ■

HAVING PROBLEMS WALKING BEFORE SHE CAME TO THE CRUSADE, this woman received healing and demonstrated how much easier she can walk now!

THIS MAN'S RIGHT LEG HAD BEEN BROKEN FROM PLAYING SOCCER. His leg is now fine and has no more pain.

HE HAD RHEUMATISM FOR 8 MONTHS but was healed on the first day of the crusade.

THE HARVEST IS RIPE!

Over the past year and a half, as part of our vision for a Decade of Double Harvest, Evangelist Daniel Kolenda and the Christ for all Nations team have been training and equipping evangelists who feel called to preach the Gospel in power with the demonstration of miracles, signs and wonders to the masses.

To date, we've trained over 25 evangelists and have sent them to the mission field of Africa where they've conducted hundreds of outreaches in schools, prisons, orphanages and villages, which has resulted in hundreds of thousands of souls coming to know Jesus Christ as their Lord and Savior. In addition, incredible miracles have taken place.

During these outreaches, after praying for the sick, our guest evangelists have received testimonies of God's miraculous healing power. Blind eyes have opened. The deaf have had their hearing restored. Tumors have vanished and much more!

Although we rejoice at what has taken place, we look to the future with much anticipation, knowing that this is just the beginning. Our team has strategies in place to multiply these efforts, which will result in many more evangelists being trained and sent out, hundreds of thousands of people hearing the Gospel and nations being completely transformed by the power of the Gospel.

Our team at CfaN is committed to working tirelessly to see the vision of a Decade of Double Harvest come to fruition. There have been 2,628,000 registered decisions for Christ through the evangelistic efforts of the Village Outreach Crusades. Surely, the harvest is ripe! ■

Christ for all Nations is able to reach more souls for the Kingdom through Village Outreach Crusades.

DANIEL KOLENDA

A TALE OF THREE DREAMS

DECADE OF DOUBLE HARVEST

I want to tell you the story of three dreams: two of them actual, literal dreams in the night. Both of them came to Reinhard Bonnke in two very different seasons of life; the first when he was very young, just starting out in ministry, and the other near the end of his ministry. The first dream is well known, the other is not. But both, I believe, are highly prophetic. These two dreams are like golden bookends that encapsulate the life and legacy of one of God's greatest generals. But moreover, and this is the purpose of this writing, they lead us to a third dream that I want to share with you in a moment — my dream.

First dream

"Africa Shall Be saved"

The year was 1972. Reinhard Bonnke was a thirty-two-year-old missionary in Lesotho, a small, mountainous nation, landlocked by South Africa. Reinhard's ministry had been very difficult up to this point and there was not much fruit. He said that on one occasion he traveled a whole day to reach a village, and when he arrived, only five people attended his meeting and no one got saved. His heart was troubled. He knew there must be more than this. He would cry out, "Oh Lord, this cannot be it. This cannot be the impact of the glorious gospel." It was a very difficult season in his life and ministry. But then, one night he had a dream that changed everything. He saw a gigantic map of the African continent. And as he watched, it became washed in the precious blood of Jesus — from south to north and from west to east. Then he heard a mighty voice cry,

> "From Cape Town to Cairo, all Africa shall be saved!"

"From Cape Town to Cairo, all Africa shall be saved!" and he woke up. He was shaken. What a wonderful dream! But then as his logical German brain caught up to him, he thought to himself, "My ministry has no impact in this tiny little nation. Now I hear all of Africa will be saved? Something is wrong. I must have eaten some bad bananas." But Reinhard had that same dream the next night and

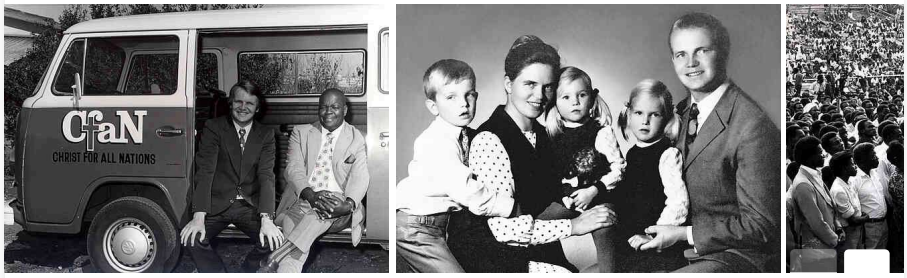
the next and the one after. And after night number four, he said to his wife, "Anni, I think God is trying to tell me something."

In response to that dream, *Christ for all Nations* was born. Reinhard Bonnke, together with his wife Anni and their small children, embarked on an adventure that would see millions of people come to Christ and multitudes more empowered and equipped to preach the gospel. "Africa Shall be Saved" became a battle cry for Reinhard Bonnke and a phrase that came to be synonymous with his life and the ministry of *Christ for all Nations*.



The Bonnke family in Lesotho, 1972

During Reinhard's life, his ministry saw more than 75 million people come to Christ in a thirty-year window between 1987 – 2017; and by the time he died a couple years later, that number had reached 79 million — one million salvations, on average, for every year of his life! What an amazing legacy!

But there are many more than 79 million souls in Africa, not to mention the fact that many African nations, especially in the north, were not open to Reinhard Bonnke. In fact, on one scouting trip in North Africa, he was arrested, put in jail, and then deported. He also had been called to China (*a little-known fact*) and had a worldwide harvest in his heart, which is why he named his ministry, "*Christ for All Nations.*" As fruitful as Bonnke's ministry was, surely there is a greater fulfillment yet to come. And that brings us to the second dream.

Second dream

A Forerunner

In 2012 Reinhard Bonnke and I were both preaching at the BFP Annual Convention in Germany. In the night he had a dream that he shared with me the next morning at breakfast and then repeated that evening at the conference. He said that his dream was so real, he wasn't sure if he was asleep or awake. In fact, he didn't know if it was a dream or a vision. He said he was projected into the future where he overheard two personalities talking. They were discussing amazing things going on in the world at that time. But there was one thing of particular interest. One of the voices asked, "What ever happened to Reinhard Bonnke?" The reply was this, "Oh, Reinhard Bonnke was just the forerunner of a whole generation of Holy Spirit evangelists." Then he woke up.

Reinhard Bonnke passed the baton to me in front of hundreds of thousands at the "Farewell Campaign" in Lagos, Nigeria

Reinhard lived with an awareness that he needed to impart something to the next generation for the sake of this great coming harvest. That's why he wrote books, produced media, held Fire Conferences and preached relentlessly. During the last few years of his life, one of his favorite themes was, "Passing the torch to the next generation." He preached about it often as he visited many countries for the last time. And this is where we come to my dream.

Third dream

My Dream

In 2017, the Lord began to speak to me about the upcoming decade as a "Decade of Double Harvest." I had no idea at the time that Reinhard Bonnke would pass away less than a month before the beginning of the decade. What I felt in my heart is that over the next ten years or so, God would double the number of souls saved to over 150 million. In other words, He would do in the next ten years what had taken the previous 30 combined! It would be a supernatural acceleration of the harvest in this critical hour of history. But that double harvest is not the dream. That acceleration will simply be the catalyst for an exponentially greater harvest, perhaps the greatest evangelistic movement the

Now you might ask, how is this possible? Do you plan to have larger campaigns? Or more campaigns? Well, while we're on the subject, the answer to that is actually, Yes! I do believe we are going to see the largest campaigns we have ever seen. The Lord has given us some very specific direction on that, and we are already seeing a stirring on the ground in Africa as never before. Also, we are dramatically increasing the number of campaigns in Africa. The most we have ever conducted in a year is 8 campaigns.

> In 2020, the first year of the Double Harvest Strategy, we have increased to 13 campaigns! The next year we will increase to 23 campaigns and the following year we will work to nearly double it again with 43 campaigns

In 2020, the first year of the Double Harvest Strategy, we have increased to 13 campaigns! The next year we will increase to 23 campaigns and the following year we will work to nearly double it again with 43 campaigns — in one year! These are CfaN Gospel Campaigns in Africa where I will personally preach.

As exciting as all of this is, the Lord showed me that the exponential increase would come, not simply through addition (CfaN conducting more campaigns and bigger campaigns), but through multiplication. The two words that the Lord gave me, the words that are ringing in my heart, the keys to seeing this dream of a world-wide harvest become reality are these: MULTIPLY and COLLABORATE!

multiply by training, equipping, and launching thousands of evangelists. In fact, we've already been doing this on a small scale for the last couple years. Ever since the Lord spoke to me in 2017, our ministry has reconfigured everything to accommodate this word. We have been experimenting, testing, improving, and perfecting the system that will become the incubation chamber for this multiplication. We have not talked publicly about our developments very much because I wanted to test them first and make sure they work. What you may not realize is that we have already been seeing remarkable results and have a tried and verified "proof of concept." Now, for the first time we are presenting the strategy of the *Decade of Double Harvest* (and beyond). This is the dream burning in my heart and I believe, once you see it, it will burn in your heart as well.

Christ for all Nations

Evangelism Bootcamp

Though we have trained thousands of students through our *School of Evangelism* (SOE), In January of 2020, *Christ for all Nations* launched its very first Evangelism Bootcamp in Orlando, Florida. This is a three-month, highly intense and specific training for campaign evangelism. It is much more than a school. As its name implies, it combines the intensity of a military bootcamp with the focused instruction of a trade school. In Bootcamp, students are challenged physically, mentally, spiritually, and academically.

We emphasize physical fitness, spiritual formation, and character development as well as focusing on the theological foundations of evangelism. Students are trained to preach the gospel, heal the sick, cast out demons, and bring multitudes into the experience of the Holy Spirit on campaigns platforms in the Third World. They learn how to preach cross-culturally, give effective altar calls, work with interpreters, and everything else needed to minister powerfully as evangelists.

In addition, we teach students all the practical skills they cannot learn anywhere else:

- Campaign organizing
- Fund raising/campaign finances
- Working with local pastors
- Follow up with new converts
- The ins and outs of international travel
- How to run an evangelistic ministry

The six-month training culminates with a three week "Initiation" on the field in Africa, where students will conduct hundreds of campaigns/campaigns and lead hundreds of thousands of people to Christ!

After graduation, these students are invited to work alongside the *Christ for all Nations* team worldwide to multiply the harvest over the next decade. At the moment, we offer them several levels of participation:

Pre-Campaign Mobilization

For six to seven weeks leading up to our Mass Gospel Campaigns, we send these co-evangelists into the region. They are able to go into smaller villages where our big campaigns cannot. They go to markets, schools, hospitals, and prisons, holding campaigns on street corners and in football stadiums. They go to local churches and minister one-on-one everywhere they go.

Just to give you an example of how this works, in 2019 we went to Nakuru, Kenya. More than a third of the population of the entire city showed up at our last night of meetings there. It was awesome! But even before I arrived, for seven weeks leading up to the campaign, we had a team of four evangelists on the ground preaching the gospel. Between the four of them, they conducted up to 32 outreaches per day! Over those seven weeks prior to the campaign they ministered in 611 outreaches and led more than 200,000 people to Christ! I believe the days are coming when more people will be saved before the campaigns than during them. Not because the campaigns are small, but because there is such a movement of evangelism swirling around the campaigns that they actually become the catalyst for something even greater than themselves. Nakuru was just one of many such pre-campaign mobilization initiatives in several cities and countries that have resulted in hundreds of thousands of salvations — and that was just the beta test!

How have we been able to get such amazing results in the pre-campaign mobilization?

We have three strategies:

DECADE OF DOUBLE HARVEST

150million.org

From one generation to the next, God's humanity remains the same – to brin people from every tribe, tongue, and w through the redemption bought by His Reinhard Bonnke founded Christ for A out of a passion to make God's dream under the leadership of Daniel Kolend some of the boldest leaps of faith in its

It's important to understand that these are not just hit-and-run evangelistic outreaches. Our gospel trucks are connected with the main campaign's organizing team so that each village outreach has participating churches (where new converts can be connected), along with ushers and counselors. They preach with interpreters, partnering with local pastors and sometimes even have local worship teams cooperating. These are literally smaller campaigns that are held all over the place.

The median age in Africa is under 20 years old. This fact, combined with the reality that most people who make a decision to follow Christ do so in their youth, makes schools a prime target for evangelism. Many are under the impression that schools are off-limits to the gospel, but CfaN's impeccable reputation of integrity over 40 years of ministry in Africa has given our teams access to many thousands of schools.

In Nakuru, Kenya – the city I mentioned earlier, where we saw over 200,000 salvations in seven weeks – our team ministered in hundreds of schools. But here's the amazing part – there are over 33,000 schools in Kenya alone – and they are all open to us. But it's not just Kenya that is open. Schools in many nations across Africa are open to us. We just haven't had the time or manpower to reach them. Imagine if we could take the gospel to every one of those schools. It would result in many millions of salvations per year! But here's the crazy part – even if we had the personnel to reach all of the schools in Africa, every four years we would have to start over, because they would be filled with a whole new group of students! This part of the vision is infinitely scalable — all we lack is workers. It's exactly what Jesus said, "The harvest is plentiful, but the workers are few" (Matt. 9:37).

Everywhere these evangelists go, they are trained to preach the gospel, heal the sick, cast out demons, and raise the dead. Whether they are standing on a platform before thousands or talking to the waitress at a restaurant, the staff at their hotel, flight attendants at the airport, or people they meet on the street — everywhere they go, they are bringing the power of the gospel into people's lives. This is both organic and organized. In addition to the normal daily encounters they have on the way, we also organize outreaches in public places where they witness one-on-one to people shopping in the markets or congregating in busy parts of town.

Together, these three strategies (the Gospel Trucks, School Outreaches, and One-On-One Evangelism) guarantee that even before the first day of one of our Mass

that represent the many different ways our co-evangelists will multiply the harvest:

Operation Decapolis

Decapolis means "ten cities." Working together with the CfaN co-evangelists, we conduct 10 campaigns in ten cities over a two-week period. The campaigns in each city last five-to-six days. Our CfaN organizers, technicians, and support staff prepare these campaigns with the co-evangelists carrying the majority of the ministry. I travel to each city, preaching one night in each campaign. This ensures that we are able to harness all of the tools CfaN has for conducting effective gospel campaigns, while increasing the reach and scope of our work ten-fold without adding additional time or expense. It is true multiplication!

Stand-Alone Outreaches

I believe that the harvest is so ripe, not only in Africa, but around the world, that our Village Campaigns, Gospel Trucks, and School Outreaches will not be limited to "Pre-Campaign Mobilization." In other words, all of the above initiatives can be carried out independent of our Mass Gospel Campaigns. We will send teams at all times of the year and to many different regions — including other parts of the world. I envision a day these initiatives will be ongoing every day all over the world.

Stand-Alone Campaigns

We have already been helping evangelism graduates to conduct their own campaigns in many different parts of the world. We do this by offering them support, both in logistics and resources and even financially. Through these campaigns we have seen millions of people come to Christ in many places in the world without any known connection to the CfaN name. Our primary goal is not to get credit for the harvest, but to help push it forward any way possible.

In addition to all of this, one inevitable effect will be that many of these evangelists will launch out on their own. We are training and equipping them to do campaign ministry, not just in theory, but by working with CfaN in the field. I

For a number of years, I have been hearing prophetic words about a "billion-soul harvest" that is coming. There was a time when I dismissed these prophecies as dramatic, hyper-faith rhetoric — but not anymore! I really believe it is possible and I'm going to show you just how possible it is through multiplication. For those of you that are number people (like me), consider this. If I had 2,000 evangelists, each of who was committed to five outreaches per year and in each outreach they led just 10,000 people to Christ (these are very conservative numbers by the way, as we have already proven many times), that would equal 100,000,000 (one hundred million) people saved per year! Multiply that over 10 years and you have a billion souls.

This is why, in addition to the 40-plus campaigns *Christ for all Nations* will be conducting each year in Africa, my goal is to raise up, train and equip 2,000 campaign evangelists over the next decade. This is what I mean when I say that the "Decade of Double Harvest" is only the beginning — a catalyst for the greatest movement of world evangelism in history. And this is what I believe Reinhard dreamt about when he heard that voice saying, "Reinhard Bonnke was just the forerunner of a whole new generation of Holy Spirit evangelists." This is how I believe the fulfillment of his vision of *a blood washed Africa from Cape Town to Cairo* and beyond, will be fulfilled.

Collaborate

The other word the Lord gave me was "collaborate." In the past, evangelists were seen as lone rangers who were unwilling (or perhaps unable) to work together. This is changing in our day and indeed it must change if we are to see this great end-time harvest reaped. I have had experiences in Africa when we needed to move campaign dates or venues because other evangelists were in the same place at the same time. We were stepping on each other because of a lack of communication. But the world is a huge place, and there is no reason we should be tripping over each other in some places while other places are completely neglected. Imagine if, rather than interfering with one another, we actually began to work together, synergizing our efforts and resources for an even greater impact!

Also, in my experience, evangelists are often very lonely. One evangelist called me recently to tell me about the campaign he had just returned from. After many wonderful testimonies of all that God had done, there was a silence. Then he said, "You know sometimes I just feel so lonely. I don't even know who to tell about what God is doing. I just needed someone to talk to." Evangelists need community just like everyone else. They need a community to belong to, and colleagues to encourage them and hold them accountable.

This is where "collaboration" comes into play. As one of the most influential evangelistic ministries in the world, *Christ for all Nations* is committed to using that influence to help other ministries and bring evangelists together in Kingdom collaborations for the sake of the harvest. Here are three examples of this:

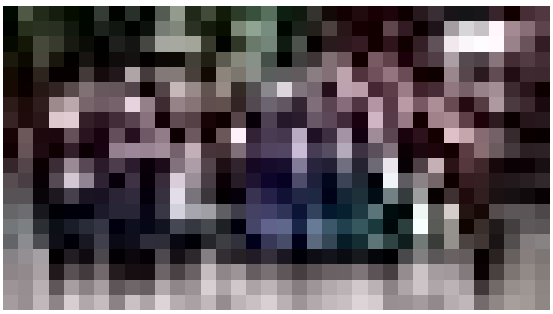
world, working together and collaborating to reap the harvest.



Through the Global Evangelist Alliance, ordinary men and women with a heart for the lost have access to other evangelists in the alliance all over the world. Someone with a burden for Myanmar or Peru will be able to connect with other GEA members there, or anywhere else in the world.

Every year GEA leadership and members meet together for a time of inspiration, training, fellowship, and planning. Imagine evangelists strategizing together to shake entire nations with the gospel. By bringing together men and woman with the same burden and passion we are facilitating collaborations that will result in a massive harvest.

In February of 2018, just three days after the death of Billy Graham, a small group of men met at the *Christ for all Nations* headquarters in Orlando to talk about collaborating together for the sake of sparking a worldwide missions' movement. Out of that meeting, *The Send* was born. Together with Brian Brennt (Circuit Riders), Andy Byrd (YWAM), Lou Engle, Teo Hayashi (Dunamis Movement, Brazil) Todd White (Lifestyle Christianity) and Michael Koulianos (Jesus Image), I and *Christ for all Nations* comprise one of the seven collaborators that lead *The Send*.

Our first gathering was in Orlando in February 2019. Nearly 60,000 people, mostly youth, gathered in Camping World Stadium for twelve hours of prayer, the preaching of the gospel and commissioning to the mission field! As a result, more than 2,500 people received Christ!

The second gathering took place in February of 2020 in Brazil. We first rented the largest stadium in Sao Paulo (Morumbi, which seats 70,000 people). When registration opened, it sold out in six hours, beating the stadium's previous record for sell-out time! We decided to rent the second largest stadium in the same city. It sold out in three days. We took the leap of faith to rent a third stadium in Brasilia, the capital. On February 8th I preached to 140,000 people across three stadiums in two cities within eight hours. While driving to the second stadium, the Lord gave me the words of Amos 9:13

"'Behold, the days are coming,' declares the LORD, 'when the plowman shall overtake the reaper and the treader of grapes him who sows the seed; the mountains shall drip sweet wine, and all the hills shall flow with it.'"

Christ for all Nations has held dozens of Schools of Evangelism in many different nations of the world. Now with the Bootcamp and other training initiatives, the community of evangelists that belong to the CfaN family has grown to thousands. We offer these graduates the opportunity to remain connected to CfaN for ongoing training, resourcing, and collaboration. This happens through the CfaN Evangelism Alliance.

What All This Means to Me Personally

I became the successor of Reinhard Bonnke when I was just 28 years old. It's an understatement to say I felt unqualified and out of my depth. At times I wondered why God chose me. I didn't ask for this assignment and never even saw it coming. Never once have I believed that God put me in this position for my own personal benefit. I didn't inherit this ministry because of any family relation. I have never felt entitled to it. Nor do I believe my calling is just to maintain Reinhard Bonnke's ministry for another fifty years. I can remember on more than one occasion, Reinhard, while preaching a sermon, stopping mid-sentence, turning toward me sitting on the front row, pointing his finger at me and saying in a commanding tone, "Daniel, you are not to become the custodian of my legacy. Preach the gospel!" What he was saying, and what he did say many times, is that he had no desire just to perpetuate his ministry for the sake of his legacy. That is not why we are here. No! In this next season, God will use this incredible platform Reinhard and Anni Bonnke and many others spent a lifetime building, to launch that new generation of Holy Spirit evangelists.

The Invitation and Need

There are very few things in life that are truly worthwhile.

> As John reminds us, "...the world is passing away along with its desires, but whoever does the will of God abides

that all should come to repentance" (2 Peter 3:9). There is nothing dearer to the heart of God than souls. Daniel said, "...Those who turn many to righteousness, [will shine] like the stars forever and ever" (Daniel 12:3). If you've been looking for something to invest in that pays eternal dividends – look no further. I cannot imagine a better investment in this world!

Leonard Ravenhill said, "The opportunity of a lifetime must be seized in the lifetime of the opportunity." I believe the harvest that lies before us is not only the opportunity of a lifetime, but the opportunity of the ages. I want to invite you to stand with us and seize this moment for Calvary's sake! I am asking you to make a commitment that for the next decade, you will stand with *Christ for all Nations* to see this massive harvest come in. Would you stand with us?

We need your support

Three ways to help

Pray

We need your prayers. We are in a very real battle and there is resistance. We are pressing forward with all the grace God has given us, but we need your prayers for the CfaN team and our families, spread out across the world, with offices in twelve countries and six continents.

Serve

Some of you may be called to join this army of evangelists being sent out into the harvest fields. Maybe you know someone who is called into mass campaign evangelism. I know no better way to launch them than through the CfaN training and Bootcamp. You can find out more about training here:

Bootcamp

Give

Our urgent need at the moment is for a training facility. Presently, we are utilizing our offices in Orlando, but because of space constraints we have only been able to accept 50 students (out of hundreds of applicants). We need to take the limits off quickly if we are going to be able to fulfill the vision.

Donate

There are also a number of other, highly strategic ways you can give toward the harvest. From sponsoring students in need to the purchase of "Gospel Trucks", to the financing of campaigns — we need your help.

Years ago, we used to sing a song by Robert Critchley that said:

> We are dreamers of impossible dreams
> Walking by faith in what is yet unseen
> Number us Lord with those who dare to believe that we can live in Your impossible dream

Little did I know back then, how important it would be to "see" what is yet unseen and take hold of these God-dreams by faith, time and time again. I believe we can see the impossible become possible in our day. We can live this impossible dream for the glory of God and the sake of souls.
